

# WHO WE ARE

Created by the members and management of Metallica, All Within My Hands was founded in 2017 with the goal of assisting and enriching the lives of people in the communities that have supported the band for years while encouraging participation from fans and friends. Our mission is to remain dedicated to creating sustainable communities by supporting workforce education, the fight against hunger, and other critical local services.

With the ongoing support of people like you, we have been able to provide **\$5.9 million to workforce education**, **\$2.5 million to the fight against hunger**, and **\$3.2 million to disaster relief efforts**.
